

September 2016

Dear Faith Formation Parents,

As you well know, the parking lot is very busy and congested during the 12:45-2:00pm Faith Formation pick-up. Our MAIN concern is the safety of the children who are being picked up and dropped off. Our facilities department works with us each week to help facilitate a safe parking environment during this time.

To pick up your K-4th grader in the School Building please enter the St. Anthony parking lot through the WEST entrance off of Bay Branch Dr. Staff and uniformed officers will direct you to a place to park. 5<sup>th</sup> and 6<sup>th</sup> graders attend Faith Formation in the PLB (to the left as you are facing the Church. You may either park in the West lot and walk to the piazza to pick up your child (as directed above) or enter the parking lot through another entrance and park yourself before walking to the piazza.

**FOR ALL PARENTS: We are asking your help in the following ways to ensure a smooth transition at the 2pm pickup:**

- Display a print-out of the carline sign found on the next page or at [www.staoptw.org/elementary-faith-formation](http://www.staoptw.org/elementary-faith-formation). If you forget your sign please inform the parking attendant.
- Please arrive a few minutes early
- Enter the parking lot through the School entrance off Bay Branch Drive
- Follow the directions of the staff and officers
- DO NOT park in the fire lanes in front of the school/church or parking lot
- MOST IMPORTANTLY - please follow the directions of the traffic officer and facilities staff who are helping the flow of traffic/parking during this time. They are there to help facilitate and ensure safety.

Our greatest concern is the safety of our children and families. We thank you in advance for your patience and assistance as we continue to implement this parking solution. As always, please let me know of any further concerns you may have. We are looking forward to a great start to the Faith Formation year!
