

Welcome from, St. Anthony of Padua's, Circle of Friends (COF) Adult Singles Ministry

Welcome, welcome, welcome!! We're so glad you're interested in the Ministry. All of the members are excited about meeting new people and creating bonds with new friends. Most of our correspondences are via email. We look forward to meeting you very soon.

Here is a quick rundown of what we are about.

Circle of Friends is just that, a circle or group of friends established for fun and fellowship. We are here to support each other as singles and Christians. COF is not set up as a dating pool but we realize that members may date but it is not our primary function as a Ministry. Remember that we're about "FUN" and fellowship.

This is how most monthly schedules work out.

1st Wed. = Dinner Night (1), 6:30 at alternating Restaurants (more pricey)

3rd Tue. = Dinner Night (2), 6:30 at alternating Restaurants (less pricey)

Every Fri. = Happy Hour at an area venue, 6:00pm (time/day may be changed at times)

At least 1 major event each month on various dates, usually a Fri. evening or Sat. day/evening.

On occasion we:

Greet & Eat, at varied Masses and Restaurants. We greet Parishioners as they come to Mass and attend as a group. Then we head out to eat afterward.

Mass & a Meal, at varied Masses then off to a local Restaurant to enjoy a meal together. We also venture to other Parishes for this.

Plus lots of other events on a "from-time-to-time" or occasional basis.

Most events are Adult Oriented (AO) but we have "Family Friendly (FF) events from time to time so we can bring the kids along.

The Calendar will have the events and exact locations listed each month.

Please fill out the [Registration Form on the Web site to start getting Event Reminders and the Monthly Calendar.](#) All information given is strictly confidential.

The members of COF are a diverse group of various faiths and ages who come together like a family to enjoy each other's company.

From time to time some "Unscheduled Events" pop up. They probably won't be on the COF Calendar, they just kinda spring up. We'll send out an Email to let everyone know they are welcome and give details. Please feel free to jump on the boat for these as they come up.

Again, thanks for contacting us and we're so pleased that you are interested in the Ministry. We hope you can attend an event very soon! We can't wait to meet you!
