

August 30, 2012

*Thank you for all that you do to proclaim and spread the Word of God at St. Anthony's as a member of our Lector Ministry.*

*As a Lector for our Parish, one of the best tools you have in helping to proclaim the Word of God effectively is your **Lector Workbook**. The workbook provides valuable insights into the historical background of the readings and has a pronunciation key for the cities and names of the Old and New Testament. Your current workbook will expire at the end of November when we begin the new liturgical season.*

*We are once again asking all Lectors to pre-order their books. The cost of the book has not changed and is available in English for \$11.00 and in Spanish for \$12.00. Payment can be mailed, dropped off at the office, or placed in the Sunday collection; please use the order form below, mark your envelope "Lector Workbook/Attention: Kathleen Larkin", and please make your check payable to "St. Anthony's".*

***Since we must place the entire pre-paid order by mid-October for a mid-November delivery, please return your order form and payment no later than Sunday, October 2 (the absolute deadline date).***

*Your book will be available for pick-up in the Altar Server sacristy around the middle of November; you will receive an email notifying you when it has arrived! Again, many thanks for being a part of our wonderful Lector Ministry in proclaiming the Word of God!*
